Expression of Interest for Kindergarten 2020

Dear Parents and Carers,

Grafton Public School is looking to alter the format of our Kindergarten Orientation Program for students starting school in 2020.

Whilst we want to offer as many transition sessions as possible, scheduling can become tricky due to physical space and the caring and supervision of our current students. Having an idea of prospective enrolment numbers would assist with planning.

In 2019 before setting our dates and the number of sessions for orientation we are hoping to gather information of approximate number of children who will be attending Grafton Public School in 2020. We will then use this information to determine how many sessions we are able to offer preschoolers transitioning to the school and the format that this will undertake.

If you live within our catchment zone and wish to enrol your child at Grafton Public School in 2020, we would appreciate your assistance in providing the details outlined below before Friday 12th April by **one** of the following methods;

- *Completed slip notes can be dropped into the office at Grafton Public School.
- *Email the details outlined below to **grafton-p.school @det.nsw.edu.au - attention Amie Stephenson.**
- *Phone the Grafton Public School office on 66422286.
- *Private message the Grafton Public School Facebook page.

Thankyou
Amie Stephenson
Relieving Assistant Principal

Kelly Fletcher
Instructional Leader
