

Dear Parents and Carers,

One piece of valuable advice we can give our parents of new Kinder students at Grafton Public School in 2014, is to label everything which comes to school. Lunchboxes, drink bottles, hats, bags, jackets, everything!

One online company to provide such labels at reasonable prices is "Stuck On You". Grafton Public School has registered with this company as a fundraising partner. This means that for each label ordered under the fundraiser code graftonpublicschool our school receives a small commission which will be directly used to provide more resources in the Kindergarten classrooms.

Brochures explaining this program further are still coming in the post. We will issue one to each of the children at the first Kinder Kritters Play Session on 22nd August.

If you have any questions, please don't hesitate to ask.

Kind regards,

Miss Michelle McDonagh

Deputy Principal (Infants)
